Trade List of Seeds.

We wish it understood that most of the stocks and all of the special strains of vegetable seeds which we carry are **market gardeners' qualities** and not common jobbing stock.

Every seedsman knows what this means, not only in cost but in retaining critical trade. If our prices on Danvers Carrot, Wakefield Cabbage, Ohio Globe Onions, Osage Melons, or some other varieties are higher than seed under the same name purchased elsewhere, write us stating quantities desired and if we cannot meet competition rates we can give the best reasons why our stocks are worth the money we ask.

Cauliflower seed is probably the most important and critical of the entire vegetable family. No seedsman can afford to handle doubtful stock at any price. Our Cauliflower seed is *proven* for in many cases we can furnish stock of the previous season which has been tried for quality and therefore *must be good.*

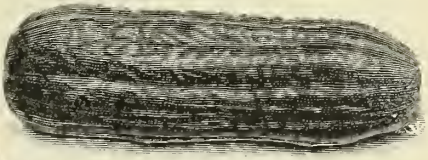
CHICAGO WARTED HUBBARD SQUASH.



BLACK MICHIGAN SQUASH.

The Squash grows from 8 inches to 1 foot in length by a thickness of three to 4 inches. The seed cavity is very small, the flesh is extremely fine grain, of delicious flavor, lacking that decided squash flavor so prominent in most kinds. The exterior is very dark green, almost black, and the Squash averages from 2 to 3 pounds in weight.

ALYSSUM VAUGHAN'S LITTLE GEM.

The plants, are only a few inches high, and grow very dense, and are completely covered with snow-white blossoms. We know of no other white flower which is so particularly well adapted to borders, ribbons, etc., as our "Little Gem" Alyssum. The plants commence to bloom when quite small, and will flower uninterruptedly all summer long till late in the fall.

PANSY.

A GREAT RECORD.

Vaughan's International Pansy Mixture was awarded a Medal at the World's Fair in Chicago in 1893. A Medal at the Trans-Mississippi Exposition in Omaha in 1898. A Medal at the Pan-American Exposition in Buffalo in 1901.

VAUGHAN'S INTERNATIONAL.—Pallia.

THE WORLD'S BEST PANSIES.

Vaughan's International is, we firmly believe, **the best pansy mixture in existence,** because it is composed of the cream of 10 Pansy Specialists' collections. It contains besides the fancy selections of these growers all the separate colors and strains in cultivation, carefully prepared by ourselves, so **we know just what it should produce.**

This is one of the specialties which has established the reputation of Vaughan's Seeds, and our customers can readily see why it is our most earnest endeavor to make **Vaughan's International Pansy Mixture better than ever.**

Per ⅛ oz., $1 00; oz., $7.00; lb., $90.00.

Per lb., 35c.; 100 lbs., $30.00.

VAUGHAN'S FLORISTS MIXTURE.—Seife. This is a mixture, made by ourselves, of principally light colored varieties, suitable for florists' cut-flower trade. It is a very carefully proportioned mixture and gives satisfaction. Per lb., 25c.; per 100 lbs , $22.50.

ECKFORD MIXTURE.—Stunde. This mixture contains over thirty varieties, including some of the novelties of 1901 and other choice sorts. Per lb , 18c.; per 100 lbs., $14.50.

WILD CUCUMBER.

Echinocytis Lobata.

This is the **quickest growing climber** in our list. It will grow thirty feet in one season. It is thickly dotted with pretty, white fragrant flowers, followed by an abundance of ornamental and prickly seed pods. For a trellis or pillar no annual vine is more chaste, and it will quickly cover an old tree or an unsightly building.

VAUGHAN'S CHICAGO PARKS LAWN SEED

Is the best lawn seed in the market. It is prepared with the greatest care and contains best seeds only. It is a good seller over the counter, on account of its reputation and the attractive packages in which we furnish it.
